

ENOFORUM

WEB CONTEST

The **SCIENTIFIC COMMUNITY** showcases **INNOVATIVE RESEARCH** to the **WINE INDUSTRY**

Under the High Patronage of

In partnership with

The Australian Wine
Research Institute

SASEV
South African Society
for Enology & Viticulture

PRE-ANNOUNCEMENT

EWC objectives

- ✓ Promote dialogue on a global scale between scientific research and wine production
- ✓ Offer scientists an opportunity to receive worldwide recognition, within and beyond the academic community
- ✓ Function as trigger event for the introduction of innovations in all wine regions

EWC roadmap

October 2020 CALL FOR ABSTRACTS

Grape&Wine scientists from all over the world are invited to submit abstracts on their innovative research

A large international Scientific Committee will judge the degree of innovation of the applications

23-25 February 2021 WEB CONFERENCE

The highest-scored research results will be orally presented to thousands of wine industry stakeholders during a global on-line event.

Practitioners will evaluate the impact of the research findings on wine production and market. Awards will be granted to the authors of best-ranked researches, who will receive large visibility in specialized media and events organized by VINIDEA, and by EWC partners and sponsors.
